

## Upcoming Sermons

**Today**, we shall take a close look at the church of Sardis in Revelation 3:1-6, and learn the importance of being aware of the reality of our spiritual condition as a church, and the world that we live in.

**Next week**, Pastor Jim will be on vacation. Our Elder of Stewardship Albert Heal will bring the message. He will share a message from Ephesians 2:1-10 entitled "It's All About Us!" There are seven "Us" statements in these verses that describe our salvation and the great things God has done for those who believe. We will look at them in detail.

**On Sunday**, November 24, Pastor Jim will resume his series in Revelation, looking at the church in Philadelphia in Revelation 3:7-13 and how it shows us the importance of taking the opportunities that God gives us.

If you would like a digital copy of Pastor Jim's sermon on Sunday morning, please let him know.

## New To First Baptist Church?

On the backs of the chairs, we have communication cards you can use to ask questions, let us know you were here today, or even to write out a prayer request. You can give your completed card to one of our church leaders.

Our toddler room is located off the foyer and staffed for the entire service for ages 1-3. A mom's nursing room adjoins this room. Children age 4 to 9 are dismissed from the service closer to the sermon for an age appropriate teaching time that is lots of fun. Pizza Boxes are available in the foyer filled with color and activity pages for children who wish to remain in the service.

Following the service, please feel free to join us in the gym for coffee and treats and to get to know one another.

## TEACH

Each month we hope you learn something new about God and share it.

**A Verse to Think About:** In Revelation 2-3, we hear Jesus say, "Whoever has ears, let them hear what the Spirit says to the churches" seven times. The warnings, encouragements and promises that precede these words are numerous and varied, specific to each church, but also meant for the whole church community to hear. Our world today is not that different than what the seven churches lived in, so we need to understand that these words from Jesus are what the Spirit is still speaking to the church today. This means that we heed the warnings, appreciate the encouragements, trust the promises and live out the commands of Jesus himself that come out of the seven messages to the churches. If we can do this, we will be hearing what the Spirit says to the churches. God bless you as you seek to love and serve Him.

Pastor Jim
